Dear Mrs. Gallogly:

This letter is in response to your September 26, 2013, Freedom of Information Act (FOIA) request (EPA-HQ-2013-010321) to obtain a copy of the pages from the references cited as sources for calculations in the EPA's September 12, 2013 letter to EQT Corporation. In this letter, the EPA had requested additional information from EQT Corporation as part of the EPA's Study of the Potential Impacts of Hydraulic Fracturing on Drinking Water Resources.

The U.S. EPA FOIA Office assigned your request to the Office of Research and Development (ORD). Enclosed is a PDF copy of all of ORD's releasable documents. This memorandum completes the EPA's response to your request.
